BOOKING TERMS AND CONDITIONS

Before booking any hospitality, we ask that you ensure that the room you hope to use is available and suitable for the consumption of food. Please also ensure there are tables and space available for your catering, you may need to liaise with the Porters Team to arrange for extra tables for your event.

The food options in this brochure are for service and delivery between 8am - 5pm Monday to Friday. A member of our team will be happy to discuss possible options if your request falls outside of these hours. Charges may apply.

The layout of certain buildings may, for health and safety reasons, restrict the service we can offer, and it may be necessary for a 'disposable' service to be used. Likewise, building and maintenance works throughout the University may cause disruptions to our ability to deliver hospitality at certain times. We will advise at the time of booking.

All food is for immediate consumption.

BOOKING TERMS AND CONDITIONS

Cancellations made within the booking notice period may be charged. Cancellations made on the day will be charged in full.

There is a minimum booking notice period of 24 hours for drinks and 3 working days for breakfasts, lunches and buffets. Bookings made outside of these notice periods will be subject to an out of notice period surcharge.

The hospitality equipment delivered must stay in the room, and missing pieces of equipment will be charged for.

Request	Minimum Booking Notice Period Needed
Tea, coffee & cold drinks	24 hours
Breakfast, lunches & buffets	3 working days

All tariffs are per person and exclude VAT at the current rate.

MAKING A BOOKING

Placing your hospitality booking is a simple process, managed through our customised hospitality booking system, Bluerunner.

The system allows you to place, modify and cancel bookings, view the full menu, create quotes for future events and look back at your historic bookings.

This online system is simple to use, but we're more than happy to meet you and guide you through how to use the system if you wish, just ask!

ALLERGENS

Having an allergy can make enjoying food difficult and having the information to hand on which allergens are contained within our food can help.

If you have an allergy, we can now provide you with allergen information on our recipes upon request.
